Do you wake up tired?
If you feel "lazy", listless, sleepy at the wrong time, it is a danger signal. Probably your vigor is being sapped by "self-poisoning".
Self-poisoning through constipation leads to the most dangerous diseases. When you allow constipation to take hold of your system, you are paving the way to the whole train of serious illnesses which follow.
Pills, castor oil, laxative waters and salts only force and irritate the bowels and make constipation a habit.
Nujol works on an entirely new principle. Instead of forcing or irritating the system, it simply softens the food waste. This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.
Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.
Nujol is absolutely harmless and pleasant to take. Try it.
Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger".
